

# HOME CARE COURSE LIBRARY

The Home Care Library contains the essential courses you need to meet training compliance and build a highly competent team. It includes courses appropriate for a wide range of home care settings, including Certified Home Health, Hospice, Private Duty and Companion Care. Courses for both entry level caregivers and advanced skill nurses are included in this comprehensive course library.

### APPROVAL INFORMATION

**NURSE** = These courses hold approval from at least one of the following boards: California Board of Registered Nursing, District of Columbia Board of Nursing, or Florida Board of Nursing. Check with your state board to ensure reciprocity.

**NAB** = Approved by the National Association of Long Term Care Administrators Boards.

**ASWB** = Approved by the Association of Social Work Boards.

COURSE ID	COURSE NAME	HRS	APPROVALS		
-----------	-------------	-----	-----------	--	--

### ABUSE PREVENTION AND RESPONSE

Learn how to recognize and report all types of abuse and neglect, as well as how to teach caregivers to protect themselves from the stresses that can lead to potential abusive situations.

			NURSE	NAB	ASWB
ABUS101	Causes and Consequences of Elder Abuse	1	●		
ABUS102	Types of Elder Abuse and Neglect	1	●		
ABUS103	Recognizing, Reporting and Preventing Elder Abuse	1	●		
ABUS104	Domestic and Intimate Partner Violence	1			

### ALZHEIMER'S AND DEMENTIA CARE

The ALZH series follows the story of a woman and her son beginning with early stages of diagnosis through end of life. Other courses in this series build on this foundation or address specific care needs.

			RN	NAB	ASWB
ALZH101	Alzheimer's and Dementia: Signs and Symptoms	1			
ALZH102	Dementia from the Person's Perspective	1	●

### CAREGIVER SKILLS

Courses in this category have been specifically designed to prepare individuals for work as a caregiver in a home or community based care setting. These foundational caregiving training courses are appropriate for all direct-care workers.

			RN	NAB	ASWB
CARE101	Caregiving Core Values and Teamwork	1			
CARE102	Caregiving Tasks and Client Populations	1			
CARE103	Ethics and Personal Rights	1			
CARE104	Communicating with Others	2			
CARE105	HIPAA and client rights	1			
CARE106	Promoting Client Independence	1			
CARE107	Elder Abuse: Causes, Types and Reporting	2			
CARE108	Human Needs and Development Throughout the Lifespan	1			
CARE109	Body Systems and the Aging Process	1			
CARE110	Common Chronic Diseases	2			
CARE111	Common Communicable Diseases	2			
CARE112	Handling Difficult Situations and Behaviors	2			

COURSE ID	COURSE NAME	HRS	APPROVALS
CARE113	Caregiver First Aid - Burns and Poisons	1	
CARE114	Caregiver First Aid - Heart Attack and Shock	1	
CARE115	Caregiver First Aid - Choking and Falls	1	
CARE116	Caregiver First Aid - Stroke and Wounds	1	
CARE117	Caregiver First Aid - Other Sudden Emergencies	1	
CARE118	Infection prevention and control	1	
CARE119	Workplace Hazards and Safety	1	
CARE120	Promoting and Maintaining Good Mobility	2	
CARE121	Nutrition and Hydration: Special Diets and Fluid Intake	1	
CARE122	Elimination and Toileting	1	
CARE123	Providing Personal Care	1	
CARE124	Instrumental Activities of Daily Living	1	
CARE125	Providing Skin Care	1	
CARE126	Measuring Vital Signs	2	
CARE127	Observation, Reporting, and Recording	1	
CARE128	End of Life Care	1	
CARE129	Managing your Work and Avoiding Caregiver Stress	1	
CARE130	Caregiver Conduct - Regulations, Co-workers, and Families	1	
CARE131	Understanding Sexual Harassment and Misconduct	1	
CARE132	Understanding Cultural Differences in the senior population	1	
CARE133	Understanding Service Plans	1	
CARE134	Understanding Resident Rights	1	
CARE135	Rest and Sleep for Client Health	0.5	
CARE136	Use of Restraints in Care Settings	1	
CARE137	Boundaries in Home Care and Hospice	1	●
CARE138	Regulatory Compliance in Home Health	1	●

CARE139	Working with Families	1	
CARE140	Infection Control Basics	1	●
CARE141	Introduction to Care Settings	1	
CARE201	Understanding HIPAA	1	
COMP101	Companion Care	1	

### CLIENT FOCUSED COMMUNICATIONS AND CUSTOMER SERVICE

These courses prepare the caregiving professional to practice the essential skills needed to build a lasting relationship with clients and families. These skills will help the caregiver build loyalty, increase client satisfaction and enhance professionalism.

			RN	NAB	ASWB
COMM101	Courtesy: Beyond Politeness	1			
COMM102	Be There: People come first	1			
COMM103	Listening: Focus on the Client	1			
COMM104	Be Reliable: Following through	1			
COMM105	Be Positive: Going the extra mile	1			
COMM106	Clientspeak: Patronizing Language	1			
COMM107	Stress and Healing: The Magic of Therapeutic Communication	1	●		

### DEVELOPMENTAL DISABILITIES CARE

These courses focus on topics including abilities rather than disabilities, history and philosophy of services, individual support plans, incident reporting, medication administration, behavioral support, the code of ethics, personal care, and professional development

			RN	NAB	ASWB
DEVE201	History and Philosophy	1			
DEVE202	Individual Support Plans (ISP)	1	●		
DEVE203	Incident Reporting	1	●		
DEVE204	Medication Administration	1			
DEVE205	Ability Awareness	2	●		
DEVE206	Behavioral Support	1			
DEVE207	Health and Medical	1			
DEVE208	Code of Ethics	1	●		

COURSE ID	COURSE NAME	HRS	APPROVALS
DEVE209	Personal Care	2	
DEVE210	Professional Development	1	●

### DISEASE AND CONDITION CARE

Courses in this category prepare the caregiver to understand common conditions and diseases and to provide the special care for individuals affected with those diseases.

			RN	NAB	ASWB
DISE201	The Invisible Side of Multiple Sclerosis (MS)	1			
DISE202	The Hidden Symptoms of Parkinson's Disease (PD)	1			
DISE203	Diabetes Care	1	●		

### END OF LIFE CARE

Caring for someone on Hospice care or at the end of life requires special knowledge, skills, and sensitivity. These courses are designed to prepare individuals for this very important kind of care.

			RN	NAB	ASWB
DEAT101	Care Goals at the End of Life	1	●		
DEAT102	Grief and Loss: Care team and Family	1			
DEAT103	Death with Dignity: Medical Aid-in-Dying and Death with Dignity Laws	1			
ETHI4211	Death & Dying: Compassion and Ethics	1	●	●	

### FIRST AID AND SAFETY

Knowing how to respond quickly and correctly when an accident, injury, or emergency occurs can save lives. All members of the team should have basic first aid and safety skills. Caregivers learn how to better understand and ensure their own safety as well as that of those in their care. The safety courses help meet OSHA safety requirements and fire emergency training mandates.

			RN	NAB	ASWB
CARE113	Caregiver First Aid - Burns and Poisons	1			
CARE114	Caregiver First Aid - Heart Attack and Shock	1			
CARE115	Caregiver First Aid - Choking and Falls	1			
CARE116	Caregiver First Aid - Stroke and Wounds	1			
CARE117	Caregiver First Aid - Other Sudden Emergencies	1			
SAFE101	Fire Emergencies	1			
SAFE102	Hazardous Substances in the Workplace	1			
SAFE103	Responding to Weather Emergencies and Natural Hazards	1			

COURSE ID	COURSE NAME	HRS	APPROVALS
SAFE104	Responding to Emergencies: Gas, Explosion, Power Outage & More	1	
SAFE105	Ergonomics and Workplace Safety	1	
SAFE106	Safe Lifting and Transfer Techniques	1	
SAFE107	Universal Precautions and Bloodborne Pathogens	1	

## FOOD AND NUTRITION

Menu planning and food preparation are just a part of creating an outstanding food and beverage service in a client's home or in senior care communities. These courses will introduce you to the basis of creating an excellent food program as well as assisting people with eating.

			RN	NAB	ASWB
FOOD101	Nutrition Guidelines and Hygiene (HC)	1			
FOOD102	Safe Food Preparation and Storage (HC)	1			
FOOD103	Promoting Successful Nutrition (HC)	1			
FOOD104	Food and Culture	1			
FOOD105	Safe Food Handling	1			

## HIV/AIDS CARE

These courses follow the HIV/AIDS diagnosis process through appointments and interactions with the hospital staff. The personal side of HIV/AIDS, the importance in preserving individuality for those suffering from it, special needs and considerations for care, and the difference between the virus (HIV) and the disease (AIDS) are all covered.

			RN	NAB	ASWB
HIV201	Understanding the Illness	1			
HIV202	The Elder's Experience	1	●		
HIV203	Diagnosis and Early Stages	1	●		
HIV204	Focusing on the Individual	1	●		

## HOME HEALTH AGENCY TRAINING

If you work as a nurse in home health you may be responsible for teaching home health aides, evaluating their competency in care, or providing supervisory visits for home health aides. This course teaches nurses the federal requirements that govern those aspects of their work within the home health agency.

			RN	NAB	ASWB
HHA301	Understanding Conditions of Participation for Home Health Aide Service				

COURSE ID	COURSE NAME	HRS	APPROVALS		
<b>LEADERSHIP</b>					
Great leaders produce great, engaged teams. This series guides leadership level team members through the basics of good leadership by showing how to effectively manage people and the workplace, as well as how to use humor and team-building appropriately and effectively.					
			<b>RN</b>	<b>NAB</b>	<b>ASWB</b>
ETHI4220	Understanding the Cultural Components of Care	2.75	●	●	
ETHI4221	Cultural Factors Regarding Sexuality in the Elderly	1.5	●	●	
LEAD301	Genuine Leadership	1			
LEAD302	Leading with Laughter	1	●		
LEAD303	Help! Who Made Me the Boss?	1	●		
LEAD304	12 Keys to Good Management	1	●		
LEAD305	Sexual Harassment Prevention for Supervisors	2	●		
SELF4106	Advanced Stress Management	3		●	
STAFF4201	Become the World's Most Effective Trainer	1	●	●	

## MARKETING

Marketing is the important process of showing and telling about the services we provide. Everyone on the team is part of that process! Learn the importance of marketing.

			<b>RN</b>	<b>NAB</b>	<b>ASWB</b>
MARK102	You're on the Marketing Team (HC)	1			
MARK4202	Advanced Marketing Skills	3.75		●	

## MEDICATION

Courses in this series range from learning to support a person who manages his or her medication to understanding how to manage a complete medication assistance program.

			<b>RN</b>	<b>NAB</b>	<b>ASWB</b>
MEDI101	Medication Self Administration Training	1			
MEDI306	A Vital Part of Your Client's Well-Being	1			
MEDI307	Understanding the Prescription	1			
MEDI308	Safely Monitoring the Medication	1			
MEDI309	Documentation of Medication Handling	1			
MEDI310	Managing and Assisting with Medication	1			
MEDI311	Marijuana in the Care Setting	1

### VIDEO-BASED TRAINING (STREAMING)\*

The IPCed video series includes award winning favorites. All of the IPCed videos visually demonstrate crucial skills while providing excellent foundational information and interesting interviews with professionals. These videos cover basic caregiving skills, communication, infection control, and other important training topics that will make it easy to deliver a blended training program. Each video is complete with support materials including key concepts, a final quiz, and a certificate of completion.
